SIR:

In response to a communication from the Office dated November 6, 2006 concerning Patentee's Request for Certificate of Correction, Patentee responds as follows:

1. Patentee requested a Certificate of Correction on October 5, 2006 correcting the address of the Assignee. An original Assignment was submitted for recordation as set forth in Section 3.11 before issuance of the patent, specifically, the Assignment was recorded on June 6, 2001.
2. However, the Assignee's place of business changed in March of 2002, prior to the payment of the issue fee in May 2005, and the prior, incorrect address was inadvertently entered on the PTOL-85B issue fee payment form.
3. Accordingly, Patentee encloses herewith the following:
 - (a) A copy of a Change of Assignee Address being submitted concurrently to the Assignment Branch for recordation;
 - (b) A copy of Patentee's October 5, 2006 Request for Certificate of Correction in which the \$100.00 fee has already been paid for forwarding to the Certificate of Corrections Branch.
4. Patentee hereby requests the issuance of a Certificate of Correction correcting the address of the Assignee; and
